

**AZ DEPARTMENT OF TRANSPORTATION (ADOT) EMPLOYMENT OPPORTUNITY**

LANDSCAPE ARCHITECT 2 (Job Id 38491)

Location: 1221 N 21st Avenue, Phoenix, AZ 85009

Salary: \$50,890 - \$91,490

For more information please contact Jim Diamond at [JDiamond@azdot.gov](mailto:JDiamond@azdot.gov). You can apply and submit your resume on line at <https://azstatejobs.azdoa.gov/ltmprod/xmlhttp/shorturl.do?key=2DSW>

The Landscape Architect 2 oversees landscaping work in multi major, complex highway construction projects statewide and conducts Final Stabilization inspections necessary for Notices of Termination (NOT) to close construction project environmental permits. This position provides unique technical consultations and contract submittal approvals to Resident Engineers related to landscape construction, irrigation system installations, erosion control, and storm water pollution prevention. This position also provides design and constructability reviews of statewide landscape projects during development, as well as actively participating in Pre-construction, Pre-activity, and monthly progress meetings.

Other duties and responsibilities include:

- Developing environmental/ landscaping training courses for construction
- Supervising environmental/ landscaping course instructors as the Subject Matter Expert
- Overseeing the review/ development of Construction Quant lists (checklists) for inspection
- Conduct construction contract compliance inspections statewide
- Write reports of findings
- Oversee professional and non-professional construction employees and consultants
- Conducts project reviews during plan and specification development (pre bid)
- Assist in developing Construction Environmental/ Landscape training, and Construction Quant lists (checklists) for construction contract compliance of Environmental/ Landscape elements of work

Preferred Requirements:

Requirements: Registered Landscape Architect (RLA) in accordance with the Arizona Board of Technical Registration
