Studio Overview

TRUEFORM landscape architecture studio seeks to create meaningful and memorable places. Our studios broad range of work includes higher education campuses, urban design, hospitality, wellness and private residential gardens. Our work exhibits a strong commitment to utilizing regionally appropriate and enduring materials that fit texturally and cohesively within the desert southwest. Embracing purpose with beauty, our innovative and thoughtful place making encourages social interaction within comfortable, dynamic and ecologically responsible landscapes.

TRUEFORM is seeking a Landscape Designer/Landscape Architect that possesses a passion for design that is interested in joining our highly collaborative and energetic design studio. The ideal candidate is a creative, self-motivated professional with aspirations to pursue design excellence.

Ideal Candidate

- Holds a Bachelor's or Master's degree in Landscape Architecture
- 5 – 7 years of experience
- Possess strong graphic capabilities
- Displays organization skills and knowledge to manage complex design and detail for a range of project types.
- Can demonstrate their ability to perform on numerous projects, each having varying degrees of complexity along with various deliverable phases and schedules.
- Has experience with environmental and natural systems along with the ability to communicate with professionals of other disciplines.
- Proficient in design software including AutoCAD, SketchUp, Adobe Suite and Microsoft Office
- Has begun or intends to pursue professional licensure in the State of Arizona

Job Tasks

- Proactively contribute to the studio in all facets of the design, documentation and construction process
- Locate, review and interpret local zoning requirements
- Coordinate with consultants and clients
- Prepare cost estimation take-offs
- Produce graphics that support the overall design intent
- Produce technical detailing
- Coordination of specifications as they relate to the project requirements
- Construction administration including the coordination of RFI's, ASI's and site visits

TRUEFORM offers competitive compensation and other great benefits. TRUEFORM seeks to foster professional growth and encourages involvement in ASLA both at the national and state level while compensating for L.A.R.E testing in the pursuance of professional licensure.
