

2021 L.A.R.E. Grant Competition

Eligible candidates can enter to win a **\$1,000 grant** to fund his or her Landscape Architect Registration Examination during 2021. Up to **20 grants** will be awarded. Candidates must be nominated by a licensed landscape architect to be eligible to apply.

HOW TO ENTER

In order to provide a grant application, Anova must receive a nomination from a licensed Landscape Architect. Once we receive an eligible nomination, we will reach out to the candidate and ask him or her to formally apply for the grant.

ELIGIBILITY

Current licensed professional landscape architects can submit unlimited nominations of any individuals who meet the following two requirements: eligible candidates must have an LAAB-accredited degree in landscape architecture, and meet the state board requirements.

DEADLINES

Nominations will be accepted between:

October 2 – November 13 (12:00 PM PST)

Grant applications will be accepted between:

November 16 – December 18 (12:00 PM PST)

GRANT APPLICATION

Nominees will be required to submit personal information and answer the following essay question, in 500 words or less:

In light of COVID-19, how would you increase public awareness of the Landscape Architecture profession that highlights the value of outdoor spaces? How you would use your licensure to address climate change issues and social equity of community spaces in a more effective way?

JUDGING

The winners will be selected by our judging panel made up of three licensed landscape architects (below) who will evaluate each nomination form and application. Winners will be selected using the following criteria: Technical Presentation (30%) and Content (70%).
