

Are you planning to take a L.A.R.E. exam this December, but don't feel fully prepared? Or are you thinking about taking L.A.R.E. exams in 2021? If you need some extra help, ASLA National has you covered!

This November ASLA National will host virtual **L.A.R.E. Prep Workshops for Section 1 and Section 2 of the L.A.R.E.** Workshop instructors, comprised of ASLA L.A.R.E. Prep Committee members, will review the content and format of the exams, share study strategies and test-taking tips, and engage in Q&A with the participants. Instructors include seasoned professionals that have long been engaged in L.A.R.E. prep support, as well as recent L.A.R.E. test takers.

Pre-Recorded Workshops

For a limited time ASLA's "**Demystifying the L.A.R.E. Experience**" webinar is **free of charge** to ASLA members. This one-hour session helps candidates develop a realistic approach to the L.A.R.E. and dispels the myths related to both the test and the test-taking experience.

ASLA also has online learning webinars to help prepare you for **Section 3—Design** and **Section 4—Grading, Drainage, and Construction Documents**.

New Low Cost: \$29.99
