

Landscape Designer/Planner (Entry-Level, 0-3 Years)

Landmark Design is a group of leaders, creative thinkers, and advocates for the sustainable and equitable transformation of our built environment. We are first and foremost a landscape architecture firm, with a diverse resume in landscape architecture, urban planning and design, and community engagement. Our staff are passionate, intentional, and proud of what we do, and most importantly we have fun doing it! Please visit our website at www.ldi-ut.com to see some of our outstanding projects and to get a feel for our company culture.

We are searching for a passionate, self-motivated, and well-rounded candidate with the right combination of personal, professional, technical, and communication skills to join our team. Your dedication is important to us, and will be rewarded with growth opportunities, participation in great projects and attractive benefits. You will collaborate with our experienced staff across the full design process from sketch to construction in the creation of vibrant parks, plazas, streetscapes, and more. You will also engage with the public regularly through community workshops, online platforms, and other events. The ideal candidate will be committed to the practice of landscape architecture but willing to explore the edges of the profession and able to wear multiple professional hats.

Skills Required

We are looking for a candidate who can actively contribute to our collaborative design process, and proactively take advantage of opportunities to develop new skills. Candidates must demonstrate strong design and communication skills, with a solid understanding of landscape architecture - from planning and conceptual design through construction document preparation. Interest and skills in community planning and urban design are a definite benefit. Skills in the following are essential:

- AutoCAD and Land FX
- 2D and 3D Graphics (Sketchup, Hand Sketch)
- Adobe Suite (Photoshop, InDesign, Illustrator)
- Mapping (ArcGIS)
- Preparation of Construction Documents
- Writing and Organizational Skills

Compensation

Landmark Design offers competitive salaries based on experience and qualifications. We offer all our employees a robust benefits package including health insurance, paid vacations, holidays and sick leave, contributions to retirement programs, and assistance with professional licensing and certifications. In addition, our office operates in a hybrid work environment.

Landmark Design believes in selecting and rewarding our employees for their merits. We celebrate diversity and strive to create an inclusive environment for all our team members.

Education Requirements

Candidates must have a degree in Landscape Architecture (BLA or MLA) from an accredited institution. If interested, please portfolios including your resume, a maximum of five (5) work samples, and a personal statement to Sam Taylor at samt@ldi-ut.com. Please put in the subject line of your email: "Landscape Designer/Planner Position."
