

IRRIGATION DESIGNERS | PHOENIX OR TUCSON

3+ years of experience

We are searching for full-time Irrigation Designers to add to our talented team in Arizona – Phoenix or Tucson. The ideal candidate shall have three (3) years relevant experience at a professional organization (including internships) and the desire to work on landscape and irrigation design projects throughout the Western United States.

Norris Design is a worldwide strategic partner in planning, landscape architecture and branding. We create value for our clients by combining excellent service with innovative solutions that can be implemented (in other words, our designs get built!). See what we mean at www.norris-design.com.

What do we have to offer?

You'll be surrounded by creative people who love what they do while forging their own career paths. You'll work with clients who entrust us with their projects, enjoy working with us and continue to come back time after time. You'll have access to great technology; skill sets and creativity that knows no boundaries. You'll be mentored, no matter how much experience you have – our mentoring culture is an important ingredient that contributes to our success as a company and to the success of our people.

Our Baseline

The candidate shall be proficient with AutoCAD and Land FX Irrigation. Proficiency with Microsoft Word and Microsoft Excel, SketchUp, and Adobe Creative Suite including InDesign and Photoshop is beneficial. The candidate shall be enthusiastic and creative as well as think proactively and work well in a collaborative environment. Salary and benefits are commensurate with position and qualifications.

- Bachelor's Degree in Landscape Architecture from an accredited program or other relevant technical degree or certification preferred
