

Landscape Architect / Project Manager

FULL TIME – PHOENIX OFFICE (6-10 YEARS EXPERIENCE)

www.digstudio.com

Location:

3003 North Central Ave, Suite 800, Phoenix, Arizona -
Located in Midtown with amazing views, lots of natural light, near Park Central and Light Rail.

About Dig:

At Dig Studio, we are a dedicated team of landscape architects, planners, and designers here to create meaningful, enduring spaces that positively transform communities. The best results grow from a diversity of perspectives and continuous collaboration with our partners. Our commitment to environmental sustainability guides us to design in ways that respect and restore our natural world.

Dig Values:

Openness - We value active collaboration, constructive critique, and continuous feedback in both our design process and office culture.

Humility - With humility, we embrace curiosity, seek advice, and collaborate across disciplines, fostering thoughtful leadership.

Bravery - Understanding boundaries enables us to push them and innovate. Our team's design talent and practical experience drive inspired, viable solutions.

Originality - The work we produce is "of its origin" and expresses the uniqueness of its place. We authentically tailor solutions to each project's context, community, client, financial, and environmental needs.

Curiosity - We delve into a place's essence, uncovering its history, site, and people to enhance its unique qualities. We listen deeply and synthesize the answers into outcomes that truly reflect them.

Responsibility (Sustainability, Ethics, etc.) - We aim to create lasting change by giving back to the environment and communities beyond project demands. Internally, we have a responsibility to support each other's needs and strengths.

Job Description:

Our **Phoenix Office** is seeking qualified candidates with **6-10 years** of experience working as or with a licensed Landscape Architect to join our talented team. Candidates should be passionate about our profession, self-motivated, hard-working, enthusiastic, must display strong creative skills and adaptability for different project types. The ability to work well in an energetic and collaborative culture is a must.
