

Position: Land Planner /Landscape Design Team Member

Who We Are: Greey|Pickett is an award-winning Land Planning and Landscape Architecture firm located in Old Town Scottsdale. We are a passionate team comprised of landscape architects, designers, planners and implementers. We are a dynamic and energetic group driven by top quality work. We pride ourselves on our high level of design, our strong work ethic and dedication to surpassing our Client's greatest expectations. We provide a fun and exciting work atmosphere with competitive wages, exemplary benefits, and true respect for a work/home balance.

Who You Are: Greey|Pickett is looking for an individual with experience in Land Planning, Landscape Architecture and Landscape Design who has a true passion for their work and is eager to grow within the design industry. Candidates should be motivated to actively participate with the G|P Team atmosphere and excited to contribute to our impressive portfolio of projects. We are looking for an ambitious, creative and talented team member who embraces a challenge. With two of the best mentors in the field, G|P is seeking someone with the desire to continue to learn and move forward in this industry.

Daily Details: In addition to supporting the positive energy of our team, the role also requires:

- Highly organized, self-motivated and detail-oriented approach to work
- Excellent hand and computer graphic skills
- Exemplary knowledge of technical drawings and high levels of design
- Proficient and confident at land planning, grading design, and graphics
- Confidently interprets conceptual designs with the skills to transform them into construction documents
- Proven experience in the preparation of comprehensive construction documents and high-quality site plans, construction administration, consultant coordination, and planting design
- Proven experience with entitlements, feasibility studies and plan amendments
- Strong understanding of how things are built and what works
- Professional communication skills
- Positive attitude and passion for this industry
- Energetic and goal oriented with a fast-paced skill set

Qualifications: We require the following:

- 5-10 years professional experience with Land Planning and Landscape Design
- Proficient in AutoCAD, Adobe Photoshop, and Microsoft Office
- Knowledge of SketchUp and Adobe Creative Suite is a plus
- Salary range will be reflective of skill level
