

LASKIN & ASSOCIATES, INC.  
Landscape Architects

**Position Opening: Landscape Designer / Landscape Architect**  
**Experience Required: 4–5 Years Minimum**

**About Us:**

Laskin & Associates, Inc. is a respected, award-winning Landscape Architecture firm with over forty years of experience in landscape architecture and construction administration. Our diverse portfolio includes work in Arizona, California, Colorado, New Mexico, Utah, and Texas. We specialize in the design of resorts, hotels, retail and commercial developments, educational campuses, industrial sites, multi-family housing, and exclusive residential properties.

**Qualifications:**

We are seeking a motivated and skilled professional with the following qualifications:

- Minimum 4–5 years of professional experience in landscape architecture or related design fields
- Proficient in AutoCAD, Adobe Photoshop, and Microsoft Office
- Strong understanding of preliminary design documents and municipal design guidelines
- Proficiency in preparing construction documents, including:
  - Planting plans and specifications
  - Hardscape design and detailing
  - Irrigation system design
- Experience with construction administration, including:
  - Tree selection and approval
  - Irrigation system installation inspection
  - Landscape installation inspection
- Excellent communication skills
- Highly organized with the ability to coordinate with all design team members

**Benefits:**

- Salaried position
- Health insurance
- Generous performance-based bonuses
- Paid Vacations and Holidays

**Please send your resume, portfolio, and any questions to [info@laskindesign.com](mailto:info@laskindesign.com)**
